Annual Report 2023-24

A Very warm greetings to dignitaries on & off the dais, Parents and well wishers.

We have crossed one year. It was unfortunate that we could not come face to face and enjoy the Annual Day due to unavoidable circumstances.

This day is undeniably an important day as the students' academic, extra-curricular and co-curricular works are recognized and appreciated . This is the moment for the parents to sit back and enjoy the talents and achievements of their wards.

Education is ever evolving to suit the needs of the society and also to cater to the global needs. National Educational policy (NEP) accentuates on a wide range of policies . One of them being making head way in skill based education. Every child will be introduced to any one skill subject which would open various avenues for them in the future.

“Leadership is action and not a position”. We wish our students to be good leaders and set to act responsibly & skill fully. To take the first step, we elect leaders. A formal election procedure is followed. Campaigning, voting and counting of votes are done under the superintendence of the Teachers and student representative. A fair election is conducted.

Master Mohammed and Ms.Nila were elected Head Boy & Head Girl, respectively for the academic year 2023-24, They were honoured by Dr.Karthik Vaiyapuri & Dr.R Vaishnavi in the investiture ceremony.

Both the leaders are proactive in their work. Good job Mohammed & Nila.

Recognition and appreciation are key for motivation. Children expect this more. We don't disappoint them. We select a student every month based on few parameters. Every child wishes own a "star child Badge " and consider it a pride.

Children of this generation are bundle of talents. Some talents are exhibited and some are dormant. To bring out the talent that are not on view, various clubs are formed and club activities are conducted. Students assume the duty of Secretaries and Joint Secretaries. Diverse competitions, exhibitions are conducted by each department.

Club wise competitions are tabulated in the magazine.

We have now reached the optimum strength of 1835. Thanks to the support of most of the parents and well wishers who believe in us. We assure to strive towards the best in the coming years too.

SCHOLASTIC COMPETENCE

The Primary impetus of education is academics. We do all we can to make the students not just to learn but strength their knowledge.

In this connection, we hold in high esteem the students who have come out with flying colours in secondary & Senior Secondary board examinations.

Thankfully yours

Thank you is one of the magic words which when uttered from the bottom of the heart , gives a sense of satisfaction to the one who says and also to the receiver,

We, from Cauvery Global has never be on the horns of a dilemma, to offer our gratitude.

It Would be the time well spent in the whole year, for we are here to place in record the people who have been with us in all ups and downs.

We believe that there is a super power which guides us , enlightens us and above all blesses all of us by giving the strength to face the challenges and eventually succeed. Thank you God for the blessings.

Members of Reddy Educational Trust needs a whole hearted gratitude for envisioning the importance of Womens' Education and contributing magnanimously to the welfare of women, Thank you sirs.

We never brood , we never complain as we are in a place which is stress free. Who is responsible? Thank you sir for the trust you have in us.

Our Secretary, Mr.R.Gobinathan who is seldom seen sitting on his chair for more than 15 minutes will be on his toes to do what is essential for the school.

Our president Mr.P.Muralidharan has never lost his cool. Patient listening is his forte.

Mr.Mohankumar , our Treasurer , has always been a person with new ideas.

Thank you Sirs for being with us

Food is the key factor that attracts everyone . We at Cauvery provide hot & tasty meal to our children . Thanks to the Hostel Committee for their different menus that satisfies the taste buds of the students.

Thanks to Dr.M.Sujatha who leads us from the front

Thank you , Ms.Kalyani for being a supportive colleague . Let us walk few more miles together.

Teachers are the spine of any institution. We , at Cauvery have a strong team of teachers who are not only staunch but also committed. Their services to the students should never be under rated. Their work , definitely , should be valued. Let us consider this a thankful Job and acknowledge their selfless work. Kudos, dear teachers for your gestures towards the students.

Ungrudging contribution of our non – teaching staff needs a special mention . Office Staff , Ms.Kalaivani , Ms.Punitha , Ms.Preetha Jointly reduce my work pressure to a larger extent. Aunties , drivers , Sanitary Workers , Securities, Gardner and electrician understand their responsibilities and stride along with us for the smooth sailing of the instuition.

Our gratitude to the Extra – Curricular trainers who sow the seed of sporting skill in the children. Thank You from all of us.

Success is no accident. It is hard work, perseverance, learning , sacrifice and most of all love for what you are doing.

At this Juncture , let me give you a small pointer A Child blossoms into a beautiful individual only when he is nurtured by you. When I

say nurture. I do not mean “ Pampering”. Spend quality time with them, engage them in small house hold chores. Keep them away from the evil called “Mobile and other Gadgets” Listen to them but do not Jump into conclusions.

A perfect alliance among the three parties namely Parent , Teachers & Students would give thumping victory for all of us.

To culminate my report, We wish to reiterate that institutions alone cannot do the role of grooming a child into a better individual. We shall work hand in hand to pave a beautiful path for them to travel upholding the values , culture and tradition of this nation.

Thank you for the patient listening.

Let us meet again in yet another happy occasion.
