

ANNUAL REPORT 2025 - 2026

Every academic session begins with a lot of hope. Planning and a set of new goals. Are we able to execute the plans? Are our goals achievable? This annual report says it all.

School education takes a Paradigm shift. Almost every year Central Board of Secondary Education is bringing about array of changes in their policies, lot of which are student centric. Teachers have to undergo rigorous training sessions to understand and conform to the new norms.

What speaks of the success and furtherance of the school is its strength in number and academic performance.

We announce with contentment the strength of our school which is 1734 with 885 boys & 849 Girls. We are thankful for the references from every stake holder. sustaining the strength is a test of time. We spare no effort to maintain the school strength.

We need good leaders to lead us from the front. Are leaders born or made? To identify the leaders among students, a formal election process is held in a demo creative way

A 3-stage process is done by which first, nominations are filed by the interested candidates for various posts a formal interviewing session of the candidates will be officiated by a panel of teachers. Shortlisted candidates will campaign for the election. Students of classes 8-12 are eligible for voting. Voting is done is EVM (Electronic voting machine) designed by our

Students S Kirush & Dushyan K of Class IX. Indelible ink is placed on the index finger and then they start voting for the posts like Head boy, Head girl. Assistant Head Boy & girl, Sports captain & Assistant sports captain. The credibility of the machine is checked the day before. Election was conducted on 20.06.2025.

The following students were elected

- 1) S. Gavin Karthik - XII A Head Boy
- 2) S. Madhumitha - XII C Head Girl
- 3) A. Hrithik - XI D Asst Head Boy
- 4) A. Hrithika - XI D Asst Head Girl
- 5) M. Ashwath - XII A Sports Captain
- 6) Salai Varnodhaya - XI B Asst Sports Captain

Mentioned below are the house captains.

Asst.Sports Captain	- S Salai Varnodhaya	- XI B
Aakash House Captain	- M K Niranjana	- XI C
Asst. Aakash House Captain	-	N B Mikul - XII B
Agni House Captain	- P Ragav Sai	- XII B
Asst. Agni House Captain	- V M Akshaya	- XI A
Pavan House Captain	- Rodick Serto Kom	- XII A
Asst. Pavan House Captain	- V P Saathveeka	- XI A
Prithvi House Captain	- T M Swasthicka	- XI A
Asst. Prithvi House Captain	- K Aaditya	- XII A

For those who contested the election but could not win were also given a chance to flaunt thier badges as Students Council Members. The names of those students are mentioned in the magazine.

They join the core team and they are allotted various duties to be done.

Investiture ceremony is the first and a highly regardedcelebration of the school. Investiture ceremony was held on 28th June 2025.

Mr.S.Chandrasekaran, Treasurer of Hostel committee, Cauvery College For Women was the chief guest. The elected and selected leaders and class prefects were honored with badges & sachets.

Appreciation is what everyone of us yearns for. So are the children. We identify the students based on a few parameters. A boy and a girl from each class & each section are identified as “STAR CHILD” of the Month. They are given a badge and their photographs with name are displayed on the notice board every month.

Various clubs are inaugurated at beginning of every year. The whole intent behind clubs is to unravel the talents under wraps and also to spread the wings beyond the comfort zone and to explore their new adroitness. This would form the basis for participation in Inter school competitions.

Secretaries from grade XI & joint secretaries from grade IX are selected by the Teachers in charge of various clubs like English, Tamil, Hindi, Maths, Science, Social, Computer Science, Sports, Quiz, Eco, Cultural, MUN and are honored in the Investiture Ceremony. The activities of various clubs are tabulated in Global Mirror, our annual magazine. We are happy to share that we actuated model United Nations Club (MUN) is 2024-2025. The holy grail is to espouse the skills needed to understand the changing climate of Political, and Diplomatic functioning of various countries. To inculcate leadership skills among the young minds, they have to be exposed to programs like this.

CGS MUN club aims to whip up the minds of the students and to enhance their skills in communication, turn one to be better problem solvers and decorous leaders of tomorrow.

IIMUN Model United Nations a serious business with fun.

Heated debates happen on issues of global significance with in - depth research and standard norms of international diplomacy. The difference is that the simulation is done not by diplomats but our own students. The **CGSMUN** started in 2024 as Trichy's first fully functional student guided club. Students comprehensively research on the country's policies assigned to them including key World Affairs, to simulate global political, economic and social issues. Though the MUN culture has caught up in other schools of the city, Cauvery Global MUN CLUB has proven its mettle with an immensely fruitful year with winning the best school delegation award in India's international Movement

to the United Nations, Trichy conference for third time in a row. We wish more students to engage in such brainstorming challenges offered by our school. Excel not only in academics but also chase the opportunity to improve their leadership skills, public speaking and analytical abilities.

IIMUN Trichy Conference 2025 Overall Best School Delegation

Cauvery Global Senior Secondary School.

Scholastic Success

Academic foundation should be strong from the Pre – primary stage for us to show case a stellar performance in the Boards.

Academic challenges reflect from various angles. It is onerous for the teachers as much as it is for the students & parents. In most cases academics, adopt subordinate role. Students, to a higher degree, Parents fear frequent tests, without tests students are not ready to spend time for preparation. What do we do? We are looking for some intriguing alternative.

Despite these exigencies, our students performed strikingly well in the Boards. I am very elated to share with you the board result of 2023-24. In X Std 122 students appeared and the pass percentage is 100. K. Akshayakavi scored 494, P Aklilesh 484. R Thanshika 482, Poorna and Aparna Bhansali 481 in the X Board.

4 students scored centum in Tamil Jennifer Natasha, K. Akshayakavi, R. Tanishka & Prajeet Kumar scored centum in Tamil.

27 students scored above 450. The details of the subject wise result in charted out in Global Mirror.

In the All India Senior Secondary Examination we produced distinctive result with 492/500. Roshini Reddy surprised us with supreme grader. B. Lakshaniya very closely succeed her with 488 and J. Rishikesh with 486.

J. Rishikesh scored centum in Mathematics, B. Lakshanya scored a centum in Sociology, Roshini Reddy, Supretha G & Lakshanya B Scored centum in Psychology.

Your outstanding academic achievement set a remarkable example for your peers. Well done children!

This year we wanted to try helping children to improve their academic scores by extending the school hours by one hour in the evening 4.30pm - 5.30pm. This effort is not to brand any child.

The pure intention is to help children who do not get sufficient help from home or tuition classes. We are seeing remarkable improvement in their study pattern, interest in studies and eventually the scores.

A big cheer to the children who have improved stupendously.

Well-Done, Children! you are Champions.

Alumni Higher Education Overview

A Brief overview to where our passed-out students are placed for higher education .

XII - (2024-2025 Batch)

1. J. Jemima Paul - CMC, Vellore
2. H. Vishwa - Stanley Medical College, Chennai.
3. Shree Charan - Tanjore Medical College, Tanjore

Extra Curriculars Attainment

Do marks alone define you? No will be my answer. students should be exposed to a world of opportunities. Corporate gurus talk a lot about Team work, leadership, creativity & being proactive. These qualities cannot be taught inside four walls. Children have to move out of their comfort zone to realize that sky is the limit to achieve. We have intra school competitions as clubs activities.

Inter school competitions have become essential part of school life. Our students participate in inter school competitions with gusto and avidity activity and bring home brownie points. Let me turn your attention to some of our van- quishing stories.

For want of time, I have highlighted a few of our triumphant tales. We have tabulated all of in the global Mirror.

Sports Ace

Sports and physical fitness are as important as education and scores in the exam.

Michael Jordan says : “Never say never because limits, like fears are often just an illusion”.

This is what we tell our students go, give your best, learn and also unlearn from your failures.

Our students participated in Matches and Tournaments and are guided by our team of PET staff and Extra Curricular trainers. We feel inclined to share some of the Smash Hit sports results with you. Again, considering the time factor, I will mention a few, nevertheless, all the results are catalogued in the Mirror.

T Dhakshnika of XII B is an upcoming chess player who has participated at the state and National Level Chess Tournaments and has won considerable awards for the academic year 2025-26.

She participated in CUSAT FIDE rated Tournament in Kochi & Won the first prize with a cash prize of Rs.3000/-. She also won the first prize in the District Level open chess Tournament with a cash prize of Rs.2500/-.She also won the first prize with a cash prize Rs.6000/- in Trichy District Women’s Chess Championship.

Shraddha Rajaganapathi & Sadhana Rajaganapathi of IV C & II C respectively, Sampretha of VII C are emerging champions in chess. Participating at many district & State Level Tournaments, they are emerging victorious.

Their achievements are mentioned in the Mirror.

Best wishes to you for more victories.

M Kiruthika IX B, T Dhyanesh of VI B and Toshika of IX A are exhibiting their talents in Table Tennis and marking their places in Tournament.

M Kiruthika & Joshika are the winners in Table Tennis CM Trophy Tournament.

R. Pooja is a springing up to be a worthy player in athletics. She participated in South Zone cluster Athletics meet in long Jump and was placed in the 4th position.

She also wrapped up Gold Medal in Athletics 100 M running, at the District level meet, Silver in long jump at the District Level Meet.

Congratulations Pooja, way to go !

Our students shine is silambam Tournament too. Rohitha of VI C, Moushik of VI B, Nakshatra of IV C, Anjor of V C, Kavinaa of V B, Prarthana of VIII A, Gokula Rooban of V B, Mani Bharathi of V A, Shrinithaa of XI C are our notable Silambam Team whose walk over make us proud.

Keep rolling the stick towards more success, children.

Master Sreejith Natrayan of VIII A is proving his prowess by securing the second place in skating at the District level. Bravo Sreejith.!

Mohammed Wasear, Nithish of V C, Andiran of VII C, Mithra Prasana of V B, Aadhav of V A are into Teakwondo and are in the winning spree, bagging Gold Medals in Championship Tournaments.

Keep striking with foot & Hand till you master the art.

Our students partaking in the Rockcity Sahodhaya Matches is appreciable. They participated in Athletic, Handball, Basket ball, Kabbadi, Hand Ball Tournaments and have been placed.

All the detailing of the results is Tabulated in the Mirror.

My request to the Parents at this juncture is, encourage your wards to play. Participate in games to improve their physical and mental fitness & agility.

FINLITT – Literacy on Money Management at the right age.

Financial literacy was formally launched in our school in 2020. The first batch of students who were in 4th grade then are now in 9th grade, Proud batch of students who have officially completed the course.

They will be certified by Investor's Financial Education Academy - IFEA. The first batch of students will be awarded with a course competition certificate and 3 toppers from each section will be honored with a medal.

Students gain a deeper understanding of money management, Taxation, budgeting, purchasing decisions and so on. Parents kindly pay attention to this exercise of your wards as you do with academics.

Regards with Respect

Thankyou is not just a word used to maintain a protocol or decorum. It carries an emotion called gratitude, if it is meant by the speaker with a deeper intention.

Here, I am before this turn out to truly thank people who have contributed directly or indirectly to the smooth & successful functioning of the school.

God's presence is always felt by me in this premises. He has seen all of us here through ups & downs and still pushing us from above. Thank you God for your grace.

All the acclaimed Members of the Reddy Educational Trust, who have worked with a noble goal of empowering student community need to be thanked whole heartedly for their support.

A big shout out to the Members of the School Governing Council, President Mr.R.Gobinathan, Secretary Mr.K Mohankumar and Treasurer Mr.K Mohan, for shepherding us towards better performance. Their support is unwavering. Thank you sirs, for being with us through thick and thin.

Our sincere and earnest thanks to the Members of the Hostel committee for their timely, Sumptuous, balanced & hygienic meal throughout the year. special mention about the special meal during festive occasions. Students will never forget the lunch sessions wherever they go.

A friendly thanks to Ms.Kalyani, Principal, Cauvery Matriculation Higher Secondary School for her out and out fortification for a smooth functioning. Thank you Kalyani for being a sportive counterpart.

My Energy, my pillar and take all the synonymous vocabulary for support from the dictionary and that would my team of teachers, my colleagues.

We started with a very humble strength and now we are grown to this height because of the Educators, Our Teachers. Teachers staying put in one school is a rarity. We proclaim this as our strength. The way you take instructions and put into action is worth a thunderous applause. Do not stop, Do not bend down and never give up. During your service you may encounter thankless comments from many sides. Do not allow it to deter you from what you are doing. We have a lots to learn, to improve. Let us learn, grow further and work more for the students and for this wonderful institution. Applause to your tireless contribution.

Parents are the biggest advertisement more than the print and social media. Thankyou parents for spreading a word of mouth about the school and for referring many new students to the school.

Students always keep us on toes. Thank you children for keeping us energetic. You make us learn more, we update our knowledge. We learn and most importantly we unlearn a lot and the reason is you. We understand your age and age-related behavior. It is high time you understood your teachers revere your teachers, Parents and your fellow peer group. Know your boundaries. You might think that this is the age to enjoy. Remember this is the age to learn too. I might sound cliché but I would like to still take this opportunity to tell you. Do not waste your valuable time on screen. Your future lies in your hands.

Learn as much as you can, sky is the limit. Prepare yourselves to face the ever enclaving & ever challenging world.

Non-Teaching staff are a huge contributor for the functioning of the school. Office Room is the heart of any school. A small disturbance will hamper the entire school. Thankyou Ms. Girija for your support. My thanks to the office

Staff Ms.Kalaivani, Ms.Punitha & Ms.Pridha for their sincere working. We own our gratitude to all the aunties for their care towards the children, drivers for the safe commutation of students & staff, Security staff for the safety of the staff and students, Electrician for his backing, photographers for capturing our memories. Your service to the students, teachers & the institution can never be taken with levity. How can we miss the service of the Extracurricular staff? They hone the skills of the students & play a major role in getting awards in interschool meets.

End of every year is a gratifying experience for us. We crib, we complainant, but never miss to walk those extra miles.

Let us learn from our own mistakes. Let us pat on our backs to go for the goals. Let us together work for the students and the growth of the institution with the same smile on our faces.

To conclude, these milestones affirms our dedications to a holistic growth I quote Sydney J Harris, "The purpose of education is to turn mirrors into windows."

We shall open the windows of opportunities to children.

Thank you all for lending you ears. We assure to share greater achievements of our students next year also.

Sit back, relax, enjoy and appreciate the performance of the children.
Adieu till we meet in the next Annual Day function.

Thankyou.
